Parent Survey

As a key element in our school's programme of continuous development and improvement we are launching a survey to ask parents to share their views about BIPSS.

We need to know what you like about BIPSS, to ensure we can preserve and build on these qualities, and also welcome your constructive ideas about how you feel we can improve and further develop Great Learning for your children.

The survey, which should take around 15 minutes to complete, is completely anonymous and easily accessed online.

This is an opportunity for all parents to contribute your ideas and views towards our school's development and I would like to urge every family to take part. If you have any problems accessing the survey, please let us know.

The survey opens today online and will close on Friday 12th March. Many thanks!

Tynplan

Tynplan, the small circular road at the rear of the school, is residents only access for vehicles. Parents are welcome to walk with their children up this road and into school but please do not drive into this close under any circumstances. This is a long-standing agreement with local residents and I ask all parents to work with us to keep the relationship with our neighbours positive and amicable.

Year 5/6 Ski Trip

Last Friday the Year 5 and Year 6 children went on the annual ski trip to Kungsberget. It was a glorious day and they all had a wonderful time. Many thanks to the staff who organised and accompanied the trip.
