Projections for the Academic Year 2010/2011

The Finance sub-committee of the Board is preparing for the process of planning the budget for the next academic year (2010/11). Decisions have to be made very soon about how many classes we have in each year group. This, of course, also has an effect on our staff recruitment programme for the coming year.

I would be very grateful if you could complete the attached form and return it to school as soon as possible. It is important that we have an accurate picture of your intentions for next year.

Thank you in advance for your help in this matter.

Haiti Day—Friday 5th February

Next Friday, 5th February, children will be encouraged to come to school wearing clothes in the colours of the Haitian flag, which are red and blue.

There will be a school collection for the International Red Cross in Haiti on this day. If your family would like to donate some money to this cause then please send some money in with your child on that day.

Teachers will give further information on this and other school activities to support earthquake victims in Haiti.

Gym Club for Year 1 children

Mrs. Nobel will be running a Gym club for Year 1 children every Friday after school. She has space for 12 children so please contact Susan in the school office if you are interested.
