

PEEK AT THE WEEK

What have we been learning this week?

Date: 18th Nov 2011

Dear Parents,

The children have continued making cars this week, and some are finished and displayed around the classroom.

We have been looking at numbers and counting in rote and making number books. We have been doing lots and lots of singing for our Christmas show the children are doing really well with the songs.

We have made some bread this week with the children, it was very yummy!

Team 1 Christmas production.

The Nursery children are Shepherd Little brothers and sisters. The Nursery children will be dressed up as Shepherd's. We have been asked if the children can carry a lamb in the performance.

Question, Do you have a lamb at home or know anyone who has one?
(cuddly toy) :-) we need 7 lambs.

On Monday the children will be having a later lunch, please can you send a little extra in for snack so the children do not get hungry, thank you!

That is all for this week and have a lovely weekend.

Nursery: Miss Lynn Thomas and Miss Amanda Walters
