

# PEEK AT THE WEEK!

Date: 25th November 2011

This week we have been learning to:

## LITERACY

We have started a new three week unit ; Different stories by the same author.

- Find out about a famous author.
- Read different Curious George books.
- Understand a story always has a problem that is fixed at the end.

## NUMERACY

Problem Solving - FIND ALL THE POSSIBILITIES

- Encourage children to systematically find all the possibilities by using lists or tables.
- Recognise coins of different values; order coins according to value.

## Some Children

- Find totals of sets of coins: relate to adding three or more numbers.
- Pay an exact sum using smaller coins up to £2.
- Solve 'real-life' problems involving money (paying an exact sum).

## INTERNATIONAL PRIMARY CURRICULUM- THE CIRCUS

### In history

- Ask and answer questions about circuses in the past.
- Use key words when describing events from the past.

## GENERAL INFORMATION

Thank you to all the parents that attended the Circus assembly. The children worked very hard and had lots of fun.
