

PEEK at the week!

Date: 3rd December

This week we have been learning to...

MATHS

- Order numbers up to 1000.
- Use the $>$ and $<$ signs to order numbers.
- Round numbers to the nearest 10 and 100.
- Use rounding to help us estimate answer in addition and subtraction.
- Count in 10s and 100s from a given number.

ENGLISH

- We have continued exploring Adventure and Mystery Stories using our class novel Operation Gadgetman by Malorie Blackman.
- Use paragraphs in our writing.
- Explore in spelling how words change when the letter 'y' is added.

INTERNATIONAL PRIMARY CURRICULUM—AIRPORTS

- In technology we have researched entertainment packs that are given to children by airlines.
- Look at the design process and created design briefs.
- Design our own entertainment packs.

GENERAL INFORMATION

Please remember that our Lucia concert is on the Friday 10th December and that your child should be picked up at Danderyd Gymnasium after the concert.
